
The National Defense Science and Engineering Graduate Fellowship Program Congratulates the 2022 NDSEG Fellows Conference Presentation Winners

The National Defense Science and Engineering Graduate (NDSEG) Fellowship program held their annual NDSEG Fellows Conference from July 24-28, 2022. During the conference more than 280 presentations were evaluated by Department of Defense (DoD) subject matter experts in 15 research discipline areas. There were 83 DoD evaluators who served as part of the NDSEG Evaluation Review Panel for Poster and Technical Presentation for non-cash awards. Each fellow's presentation was evaluated based on: scientific and technical merit, research collaboration, and DoD impact and relevance as it relates to DoD research objectives. At the conclusion of the conference, 45 award winners were selected for poster presentations and 9 for technical presentations. [See the winners for each research category here.](#)
